

Brief CV of Prof.K.Balachandran

Krishnan BALACHANDRAN received the M.Sc. degree in Mathematics in 1978, the M.Phil. and Ph.D. degrees in Applied Mathematics in 1980 and 1985 respectively from the University of Madras. Joined as Reader in 1988 and promoted as Professor in 1994 at Bharathiar University, Coimbatore. Currently he is serving as UGC-BSR Professor of Mathematics at Bharathiar University, Coimbatore.

He has participated and delivered invited talks in national and international conferences. He has also delivered invited lectures in many universities in India and abroad. Under his supervision, many candidates were awarded Ph.D. degrees in the fields of Control Theory, Differential Equations and General Topology. To his credit, he has published more than 350 research papers in Control Theory, Abstract Differential Equations and General Topology and out of which nearly 250 research papers are in SCI journals. He is acting as referee and Associate Editor for various international journals. He is a member of AMS, IMS, CMS and ISCA. He is a Fellow of the Academy of Sciences, Chennai.

He was awarded the Fulbright Visiting Fellowship at the University of Tennessee at Chattanooga, USA in 1996. He is a recipient of Chandna Mathematics Award in 1999. He got the Tamil Nadu Scientist Award in 2001. He was a visiting scientist at the International Centre for Theoretical Physics, Trieste, Italy (1987, 1990), University Wyoming, USA (2004) and Naval Postgraduate School, Monterey, USA (2012). He was a Visiting Professor at Sophia University, Tokyo, Japan (1998) and Visiting Research Professor at Yonsei University in 2005 and the Pusan National University, Pusan, Korea in 1999- 2000 and 2008-09. He has delivered a series of lectures on Control Theory at Yonsei University, Seoul, South Korea in October 2003, City University of Hong Kong in August 2002, University of Wyoming, USA in June 2004, Hanoi Normal University, Vietnam in June 2011, Sungkyunkwan University, Korea in December 2011. He has been awarded Global Research Award by US Navy in 2012.

He has participated as NBHM sponsored mathematician in the International Congress of Mathematicians held at Beijing, China in August 2002, ICM 2006 held at Madrid, Spain in August 2006, ICIAM 2007 at Zurich, Switzerland in July 2007, ICM 2010 and ICIAM 2011 at Vancouver, Canada in July 2011, ICM 2014 at Seoul and ICIAM 2015 at Beijing.
