State University | Re-accredited with "A" Grade by NAAC | Ranked 14<sup>th</sup> among Indian Universities by MHRD-NIRF

04 December 2017

**Dr. P. EKAMBARAM**  
Assistant Professor  
Molecular Toxicology Laboratory  
Department of Biotechnology

**NOTIFICATION**

Position is available to work with the Molecular Toxicology Group at Department of Biotechnology, Bharathiar University, Coimbatore as a Junior Research Fellow. Selected candidates will be working on a research project funded by the Department of Science and Technology, Science and Engineering Research Board (SERB), Government of India, New Delhi.

**Title of the Project:** *"Elucidating the molecular mechanism of necroptosis in fluoride induced neurotoxicity: Therapeutic potential of Naringenin, through NFκB and NRF2 signaling pathways"*

**Name of the Post:** Junior Research Fellow (JRF)

**Monthly Pay:** Rs.14,000/- (Consolidated)

**Duration:** 1 Year

**Essential:** Postgraduate degree in Life Sciences/Biotechnology with First Class.

**Desirable:** Motivated students willing to perform experiments with a keen eye on data interpretation. Experience in animal handling, animal tissue culture, neuroscience, and molecular biology laboratory techniques is a bonus. Should be a team player.

**Deadline:** 15 December 2017

Shortlisted candidates will be informed and called for interview, which will be held at the Department of Biotechnology, Bharathiar University, Coimbatore – 641 046.

Interested candidates those who fulfill the above qualification may email (ekas2009@buc.edu.in) the resumes on plain paper with attested copies of educational credentials and experience certificates along with two testimonials to **Dr. P. Ekambaram**, Principal Investigator, DST-SERB, Department of Biotechnology, Bharathiar University, Coimbatore – 641 046, on or before 15 December 2017. **No TA/DA will be provided to attend the interview. Applicants should note that the position is purely temporary and co-terminus with the project which is for one year.**

**Note:** Entrance test will be conducted based on the number of applications received.
