

## NOTIFICATION

Applications are invited for the following post in the DST sponsored project undertaken by Department of Nanoscience & Technology, Bharathiar University, Coimbatore - 46

Name of the Project : "Next-generation Hybrid Graphene and Two-Dimensional Materials based Nanophotonic Devices"

Name of the Post : **Project Associate**

Salary : Rs. 12000 (Consolidated)

Qualification : Post graduation (M.Sc/M.Phil) in Physical Sciences/Chemical Sciences/Nanoscience and Technology /Material Science/Photonics with minimum of 55% marks.

Duration of the Project : 1 Year (Renewable upto 3 years based on performance evaluation)

Project Description : The project aims to develop (i) layered materials graphene, TMDs, TI (ii) Characterization: structural and optical (iii) Hybrid device fabrication.

Dynamic candidates with NET/GATE/SLET passionate about research and interested in pursuing PhD are desirable.

**Dr. P. Joice Sophia, DST INSPIRE Faculty Fellow, Principal Investigator, Department of Nanoscience and Technology, Bharathiar University, Coimbatore - 641 046**

CV along with your motivation letter should reach the Principal Investigator by e-mail ([joicesophiaponraj@buc.edu.in](mailto:joicesophiaponraj@buc.edu.in)). The applicant should bring CV with photograph, Photocopy of Degree certificates and experience certificates when they appear for the walk-in-interview on **04-04-2018**. No TA/DA is permissible if called for the interview.

Coimbatore - 46  
20.03.2018

Principal Investigator

(P. JOICE SOPHIA)
