ABOUT UNIVERSITY

The Bharathiar University was established at Coimbatore by the Government of Tamilnadu in February, 1982 under the provision of the Bharathiar University Act, 1981 (Act 1 of 1982). The Postgraduate Centre of the University of Madras, which was functioning in Coimbatore before 1982 formed the core of the Bharathiar University. In May, 1985 the University received the recognition from University Grants Commission (UGC) New Delhi for the purpose of grants.

The University named after the great national poet Subramania Bharathi is enshrined with the motto “Educate to Elevate”. In the University, every effort is harnessed to realize his dream of making educational institutions as temple of learning. It is the aim of the University to participate in the task of inculcating necessary Knowledge, Skills and Creative Attitudes and values among the youth of the country to contribute more effectively towards establishing an equitable social and economic and secular ideal of our nation.

ABOUT SCHOOL OF DISTANCE EDUCATION

The School of Distance Education (SDE) of Bharathiar University was established during the Academic Year 1991-92 and Distance Education Council(DEC) as provisionally recognized all courses conducted by SDE. The school has limited its operation for the obvious reason of strengthening its base to provide quality education. Having realized the objective, the school has started extending its action by identifying and approving Spot Admission cum Learning / Information Centres through-out the country to help achieve higher enrolment ratio and higher literacy rate.

The School at present has about 308 Spot Admission cum Learning / Information Centres CPOP (162) spreading all-over India and the number is steadily increasing as more and more evince interest in starting Spot Admission cum Learning / Information Centres. The School directly admits candidates and conducts the Personal Contact Programmes (PCPs) at specified centres in Coimbatore. Spot Admission cum Learning / Information Centres enroll candidates and conduct the Personal Contact Programmes in their centres or at specified Regional Centres. The study materials prepared in the prescribed format of the Distance Education Council (DEC) viz., SIM format are provided to the students supplemented with compact discs for hassle free use anywhere at materials.

About Department of Education(SDE)

Department of Education (SDE) was established in the year 2009. It has well qualified and experienced faculty. The B.Ed. programme through Distance Mode for Bharathiar University is offered by the School of Distance Education (SDE), approved by the National Council for Teacher Education (NCTE) and Distance Education Council (DEC) with an annual intake of 500. Teachers presently working in recognized schools in Tamil Nadu and having a minimum of two years of school teaching experience with Diploma in Teacher Education are eligible to apply. The programme is designed specifically for in-service teachers who wish to enhance their teaching skills and techniques.

About Human Resource Development Centre

The UGC-Human Resource Development Centre was established in Bharathiar University in the year 1987 with cent percent financial assistance from the University Grants Commission. The Human Resource Development Centre, first time in Tamil Nadu has organized two 21 day Interaction Programmes for Ph.D. Students which benefitted about 350 Ph.D. Scholars. Thus, the Human Resource Development Centre, Bharathiar University has stood par excellence since its inception. The UGC-Human Resource Development Centre of the Bharathiar University aims at maintaining the top most status at the National level, not only in terms of number of programmes organized but also in terms of quality and variety. To accomplish this task, training in Infnibnet-Infonet, EDUSAT exposure, e-learning and e-content development are also provided to the participants.

ABOUT THE WORKSHOP

This National Workshop will help the participants to develop the abilities to justify in moments of uncertainty and fluidity in research design and methodology in the filed of education. The Workshop seeks to stimulate the usage of Research Methodology in different dimension is more relevant, scientifically sound and concrete contribution to realizing the vision of sustainable development in Education Research. In this workshop, the discussion and deliberations would help Researchers, Teachers and learners to reflect, respond and create changes in the Methodology of Research in Education.

OBJECTIVES

- To develop the abilities on methods of research, identification of research problem, formation of hypothesis, nature and scope, sampling techniques, features of research design, selection of tools, data analysis, interpretation of data and deriving conclusions.
- To understand the nature of research in education and to raise awareness and promote development through projects, programmes and initiatives.
- To throw light on innovative practices and research studies conducted in various fields of education
- To face the challenges in educational research.
