

**BHARATHIAR UNIVERSITY**  
**DEPARTMENT OF BIOCHEMISTRY**  
**Action Taken Report (2021-2022)**

1. In Curricular Development, few change were made in the syllabus based on the student's feedback, suggestions from Industrial experts and academicians, like application of Artificial Intelligence in various core subjects.
2. As a feedback of faculty members, a suggestion was given regarding CMS platform for students' academic programs, monitoring internally and storage of data for future reference.
3. To motivate the students for their career oriented approach, our own alumni from different firms were invited to have discussion with the scholars and PG students.
4. Based on the scholars feedback computer with net facility was provided to each lab to increase the efficacy in the research activity.
