

## Department of Biotechnology

- ❖ Students and Alumni provided feedback on the previous year revised syllabus of M.Sc. Medical Biotechnology and MSc Medical Biotechnology. Aligning with the suggestion of the stakeholder's presented before the Board of studies changes were made to the following courses for MSc Biotechnology and MSc Medical Biotechnology were revised accounting for 10% revision.

### **MSc Biotechnology:**

Tools in Biotechnology; Biochemistry; Cell and Molecular Biology; Microbiology; Biodiversity and Bioprospecting; Recombinant DNA Technology; Bioinformatics and Systems Biology; Molecular Diagnostics;

### **MSc Medical Biotechnology**

Developmental Biology and Physiology; Clinical Biochemistry and Disease Metabolism; Stem Cell Biology and Tissue Engineering; Molecular Diagnostics & Clinical Testing.

- ❖ In view of the employer's feedback, the students were given training on high tech instrument facilities to keep them updated.
- ❖ As requested by the MSc Biotechnology students, interactive panels were installed in every class room.
