Computer Science

❖ Students and alumni provided feedback on the previous year revised syllabus of M.Sc. Computer Science. Aligning with the suggestion of the stakeholder's compiler Design, Web Services and Visual Programming papers were revised in the year 21-22 accounting for 10% revision

❖ Based on the Teachers and Students feedback MATLAB Software and 25 new system with higher configuration was purchased.

❖ In view of the employer's feedback, the students were given training on Mobile Application Development and Software Testing to keep them updated.

❖ To take a hybrid more classes, based on the students request Google Class Room was used in the year 20-21. A Common platform for all was suggested to the university Authority.
