

## **Library and Information Science**

- ❖ Feedback was received from all stake holders for the syllabus of M. Lib.I.Sc.,. There was a minor revision 2020-21, which was appreciated by all and few changes were suggested. Based on the feedback and new development in the field around 20% of the syllabus were revised.
- ❖ In view of the Institutional and Industrial requirement and Employer's feedback, a new ICT and Digital Based Technology focused on 2021-22 was started this academic year.
