

WORKSHOP ON NET COACHING IN MATHEMATICAL SCIENCES

11th March to 16th March 2019

ORGANIZED BY

DEPARTMENT OF MATHEMATICS, BHARATHIAR UNIVERSITY, COIMBATORE - 641 046

About University

Bharathiar University was established at Coimbatore by the Government of Tamilnadu in February, 1982 under the provision of the Bharathiar University Act, 1981. The Postgraduate Centre of the University of Madras, which was functioning in Coimbatore before 1982 formed the core of the Bharathiar University. In May, 1985 the University received the recognition from University Grants Commission (UGC), New Delhi for the purpose of grants. In 2014, the University was ranked as 29th position by India Today. Also the University ranked 28th in National Institutional Ranking Framework (NIRF). The UGC Supports 12 of our Departments through its Special Assistance Programme (UGC SAP) to encourage the pursuit of excellence and teamwork in advanced teaching and research to accelerate the realization of international standards in specific fields with a grant of more than 5 Crores. The University established the DRDO-BU Centre for Life Sciences as a joint venture by DRDO, Bharathiar University and Government of Tamilnadu (Phase-I- ~Rs. 14 Crores and Phase-II - ~Rs. 24 Crores) to engage research in advanced areas of Life Sciences and Multidisciplinary Areas which are relevant to defense.

About the Department

The Department of Mathematics was established in 1978 as the Department of Applied Mathematics in the erstwhile Post Graduate Centre of University of Madras. Later in 1982 when the Bharathiar University was formed by the Government of Tamilnadu the Department came under the aegis of Bharathiar University. In 2002, the Department was recognized by UGC under its Special Assistance Programme (SAP). Recently it has been upgraded for the third stage of SAP. The Department offers M.Sc., M.Phil. and Ph.D. programmes in Mathematics with more emphasis on Applied Mathematics. The Department conducts various research activities which are of fundamental and applied in nature, particularly in areas Fluid Dynamics, Differential Equations and Fuzzy Mathematics. Currently the Department has four faculty members in different cadres. The Department is getting a separate library grant of Rs. 6 lakhs every year from the NBHM and has a good collection of foreign books in its own library. The Department has an international standard smart class room facility to give the lecturers and seminars. The Department has published more than 800 research papers in international and national journals. Several of them are published in Science Citation Indexed Journals. Due to this contribution of our full time Ph.D. research scholars have obtained Post Doctoral Fellowships in foreign countries. The faculty members are periodically visiting foreign Universities for carrying out research in the frontier areas.

Aim of the Workshop

In keeping with the University vision of cultivating a culture of academic excellence on campus, the department frequently organizes seminars, conferences and workshops to sustain high quality education in the discipline of mathematics. The purpose of this workshop is to bring together experts and young researchers and students, provide a platform for discussion on recent advances and developments. The objective of this workshop is to provide the participants a deep knowledge about the core subjects and a glimpse in solving the problems in CSIR NET, SET and GATE. The one week workshop on this NET coaching is meant primarily for the postgraduate students, M. Phil and Ph.D research scholars of our Department.
