About University

The Bharathiar University was established at Coimbatore by the Government of Tamilnadu in February, 1982 under the provision of the Bharathiar University Act, 1981 (Act 1 of 1982). The Postgraduate Centre of the University of Madras, which was functioning in Coimbatore before 1982 formed the core of the Bharathiar University. In May, 1985 the University received the recognition from University Grants Commission (UGC) New Delhi for the purpose of grants.

The University named after the great national poet **Subramania Bharathi** is enshrined with the motto “Educate to Elevate”. In the University, every effort is harnessed to realize his dream of making educational institutions as temple of learning. It is the aim of the University to participate in the task of inculcating necessary Knowledge, Skills and Creative Attitudes and values among the youth of the country to contribute more effectively towards establishing an equitable social and economic and secular ideal of our nation.

About Department

The University established the Department of Information Technology in the year 2007 to fulfil the needs of Information Technology Industries. The department has a team of qualified and experienced Faculty members. The department provides value base

IT education to the students and enriches their knowledge. To empower the students and meet the global challenges, it is equipped with latest system and curriculum based on the suggestions by students, alumni, Industry experts and Academic experts.
