About the University

Bharathiar University was established at Coimbatore by the Government of Tamil Nadu in February, 1982. The University was named after the great national poet Subramanian Bharathi is enshrined with the motto "Educate to Elevate". At the University, every effort is harnessed to realize his dream of making educational institutions as temple of learning. The main aspiration of the University is to participate in the task of inculcating necessary Knowledge, Skills and Creative Attitudes and values among the youth of the country to contribute more effectively towards establishing an equitable social, economic and secular ideal of our nation. Also, the university has been accredited with "A" Grade by 'NAAC'. Bharathiar University is renowned for its Excellency in research and teaching as witness for its first rank among the Universities in Tamil Nadu and the 13th place in NIRF ranking.

About the Department

The Department of Biochemistry was started in the year 2015 as a component of school of Biotechnology and Genetic Engineering. The Department is offering MSc, MPhil, Ph.D., where major thrust areas of research includes Clinical Toxicology, Cancer Biology, Stress Physiology and Environmental Biochemistry. The Department receives funds for research projects from ICMR, DST-SERB, DST-PURSE and RUSA. Biochemistry stands as a foundation for many disciplines, opening up huge potential for students to their future career and placements.

About the Programme

The DST-PURSE Phase II sponsored webinar envisioned to create awareness on the recent scientific developments and technological advances in the field of biomedical sciences. Experts from reputed organizations will deliver lectures on the current scenario and future perspectives of their respective field which will be immensely beneficial to the researchers, students and teaching community to enrich their knowledge in biomedical sciences. The knowledge on recent advances in the area of biomedical sciences plays a vital role for satisfying needs of the society efficiently.
